

CALF CLUB DAY –ORPHAN LAMBS AVAILABLE

Orphan lambs will once again be available from NZ Steel Farm from approximately the 1st August. Our lambs are Romney Suffolk cross breed (they have brown faces). Their mothers are vaccinated prior to lambing, and orphan lambs will be given further vaccinations and docked from three weeks of age. As numbers are limited, lambs will only be available to those children who will be entering their lamb for Calf Club Day competition. Orders will be taken on a 'first come, first served' basis, so if you would like to put your name down on the list please phone KATE on 2353816. Lamb 'user guide' and 24 hour helpline available on request!
