

ROOM 11 NEWSLETTER

Dear Parents,

29 April 2010

Welcome to Term 2.

This term our major integrated unit will be **SPACE/THE FUTURE**, starting in week 3 with our trip to the Stardome Observatory on Thursday the 6th of May.

The following curriculum topics for Term 2 will tie into the term topic of **SPACE/THE FUTURE**.

Science – Astronomical systems.

P.E/Health - Daily fitness (Invasion games)

Literacy - Reading and writing.

The Arts - Music, Drama, Dance and Visual arts.

Also included in this terms learning is;

Maths - Number; Fractions. Multiplication and Division

Measurement - Time and Length.

In addition to the major integrated unit this term we are concentrating on the values of;

RESPECT AND RESPONSIBILTY

A request....

I would like for each child to have a named glue stick. These can be purchased from the school office.

Visitors to our class.....

Constable Sheree came to our class as part of the 'Keeping ourselves safe' unit. Children learnt the proper names for our body parts.

Please note....

Your children have learnt to read. Now the emphasis is on reading to learn or reading for enjoyment.

Homework Timetable

Thank you to all parents for your input at last terms parent interviews. After a lot of thought I have come up with the following suggested homework timetable. I have discussed this with your children.

Monday to Wednesday

Either 15 minutes reading (reader, library book or favourite book) or Mathletics or topic work set by the class.

Thursday

Spelling – Learning their spelling list which is in their notebooks. (To be returned on Friday)

Friday

Reading – Poem and library book.

Where we hang out....

Computer suite – M,W,Th
Library - Friday

Dates to Remember...

6th May – Stardome Trip
7th May – PTA Disco

Principals Award....

Jayden Chitty
