### **Working Bee**

The Board of Trustees has organised a working bee for Saturday 18 July from 9.00am to midday. There are a few maintenance jobs to be completed around the school so if you are able to assist us with this working bee that would be great. Ladies there are plenty of fix it things and gardening for you also! So bring your shovels, power tools, energy and we will provide a sausage sizzle for lunch! Could you let Craig McGregor, our BoT Chair, know if you are attending – ph 235-3539. Thank you

### **New Teacher**

I am very pleased to announce that we have appointed a new teacher for the students in Room 11. His name is Satinder Anand. We are pleased to have Satinder return to us, he has been a reliever in our school in the past. I am hoping that he will be

in school one day this week to meet and work with his new class.

### **Speech Competition TONIGHT!**

We are looking forward to hearing our talented speech writers perform their speeches this evening. The students who are presenting have been asked to bring a plate for supper and if you are coming to listen and are able to bring some food for supper also that would be much appreciated.

### **Hypnotist evening**

This event is occurring on Saturday 25<sup>th</sup> July – at the end of week 1 term 3 – I hope you are selling tickets to support our wonderful PTA.

### **An important message**

All schools have to complete some very important documentation for the Ministry of Education – 1<sup>st</sup> July Roll Return. We have had a lot of children absent because of sickness and if your child is away tomorrow – the 1<sup>st</sup> of July – it is essential that we receive a written note explaining your child's absence. Please assist us with providing a note as soon as possible. Thank you.

### **Dates for 2010**

There have been a few requests for next year's dates so I thought I would put them in this week's newsletter for you.

## NETBALL REPORT

### Glenbrook Gazelles

Luckily the rain stayed away for our game against Otaua. Eleven seems to be a reoccurring number in our games. We had a good run and tried some new combinations on court. Laura scored a very impressive goal for our team. Leahmya Katipa-Nepia was our much deserved Player of the Day – she has worked extremely hard all season and showed great skills last Saturday.

## **CALF CLUB CHICKENS**

Have you thought of entering a Chicken for Calf Club. They are cute, a lot of fun and easy to rear. If you have thought of raising a Chicken as your preferred option please note the following:

You will be required to complete a poster which is worth 50% of your total mark. This is judged prior to Calf Club Day.

Chickens are being delivered to school on **Friday 21<sup>st</sup> August 2009**. These are “Day Old Chicks” and they need to be kept in a brooder box for the first 3 weeks. We do suggest that when you order that you get more than one Chick as they like company.

Information booklets will be available on how to go about building this very simple brooder box plus feed, housing, etc, once we have finalised the chicken order and before you receive your chicken.

**If you would like to raise a chicken for Calf Club please fill out the form below and send it to the school office with the correct money by Thursday 23<sup>rd</sup> July 2009 at the latest.**

If you have any queries please phone Katrina Shilcock on 235 8405.
